

Get Paid Faster Without Chasing Payments

Two powerful ways to collect payments.
One seamless experience.

PayLink

Fast. Simple. On-Demand.

The easiest way to request and collect payments, anytime, anywhere.

Best for:

Quick payment requests and on-the-spot collections.

Key Features:

- Text or email secure payment links; one-click, mobile-friendly checkout
- Reduce front desk calls & manual collections
- Securely store cards on file for future use
- Pre-authorize cards for future use
- Set expiration dates
- Auto-post to the patient ledger

Quick Invoice

Detailed. Automated. Scalable.

A customizable billing solution that helps you get paid on time, every time.

Best for:

Detailed invoices, recurring collections, and follow-ups.

Key Features:

- Send custom invoices via SMS/email links
- Add line items, notes, & attachments
- Set due dates + automated reminders
- Automatically follow up on unpaid invoices
- Accept partial or full payments
- Access built-in reporting & tracking
- Auto-post to the patient ledger
