Benefits of Fortis with Sage 100

Flexible Payment Options

Accept credit, debit and ACH, allowing customers to pay the way they want.

Easily View All Transactions

Access the gateway at anytime to send, print or void receipts.

Tap to Pay Invoices

Email or text invoices to your customers and receive payments with the simple click of a button.

Multi-Pay Functionality

Show all invoices and allow customers to pay multiple invoices at one time.

Invoice Chasing

Set up notifications to alert customers of unpaid invoices, allowing you to collect payment at any time.

Customizable Reporting

Monitor financial health with detailed transaction reporting on demand.

Online Customer Portal

Give customers access to a secure portal to view and pay open invoices.

Dedicated ERP Team

From installation to troubleshooting, you can rely on our customer support experts.

Stored Payment Methods

Safely store your customer's payment methods and information to use on future invoices.

Recurring Billing

Set up customized payment schedules and keep track of your invoices all in one place.

Transform the way you manage payments

Payment processing simplified for Sage 100. Contact us to receive a free quote, schedule a demo, or learn more.
